Dear Leo, Marsha, Sue & Carole,

Thank you so very much for your donation of \$6,073.92 for the animals and work of Best Friends.

These past weeks have seen Best Friends in the biggest rescue and relief operation ever. Many of the animals we've been rescuing from New Orleans are in critical condition and need very special care. Your generous help means we can give them the medical attention they need and make every effort to reunite them with their families – or place them in good new homes.

The rescue and relief effort on the Gulf Coast is all in addition to the regular work of Best Friends Animal Society. Our main sanctuary, in Southern Utah near the Grand Canyon, is home on any given day to about 1,500 dogs and cats and other animals from all over the country who have been abused or abandoned.

We also work with communities, neighborhoods, cities, and states all across the nation to set up No More Homeless Pets programs that will soon bring an end altogether to the killing of abandoned animals in shelters.

Working together, we're confident that within about 10 years from now, every dog or cat that's ever born can be guaranteed a good home with a loving family. If you'd like to be part of this extraordinary effort in your own community, you can join the Best Friends Network on our web site at www.bestfriends.org.

Thanks again for caring and be assured that your donation to the Katrina Hurricane Relief Fund will go directly to help the animals and shelters that have been directly affected by the hurricane.

Michael Mountain
